heating stove most of the heat passes direct into the chimney without spreading its warmth. We overcome this waste in the

Tremont Hot Blast

by converting the smoke, soot and gases into heat. Producing the greatest results that it does the best quality of fuel.

THE TREMONT HOT BLAST will burn the poorest quality of slack or coal dust with the same successful results that it does the best quality of fuel.

The fire is at all times under perfect control, and can be increased or lessened to meet the requirements of the user. No trouble to keep a continuous fire throughout the winter.

If you want a stove that is unequaled for economy and good service buy the **TREMONT**.

Free of Charge.

Any adult suffering from a cold settled on the breast, bronchitis, throat or lung troubles of any nature, who will call at H. Alex. Stoke's will be presented with a simple bottle of Boschee's German Syrup, free of charge. Only one bottle given to one person, and none to children without order from parents.

No throat or lung remedy ever had such a sale as Boschee's German Syrup in all parts of the civilized world. Twenty years ago millions of bottles were given away, and your druggist will tell you its success was marvelous. It is really the only Throat and Lung Remedy generally endorsed by physicians. One 75 cent bottle will cure or prove its value. Sold by dealers in all civilized countries.

Get Green's Prize Almanac.

A Great Prize Offer.

We have a great prize offer to make the farmers of Jefferson county! By a special arrangement with the publishers of the *Farm Journal*, a most excellent farm paper that costs 50 cents a year, we are able to offer one year's subscription to THE STAR and FOUR years' subscription to the *Farm Journal*—the two worth \$3.00—all for the small sum of \$1.25. Of course this only applies to advance paying subscribers. We can furnish a few papers at this rate, and if you want them on these terms, you must act QUICKLY! Sample copies of the *Farm Journal* will be sent free on application. Address,

A number of our mates are out on account of illness.

Our Laboratory has undergone a marked improvement. It is now fitted with two locked cases.

Dr. Riker's Lecture, "What Shall We Do With the Boys," was well attended and much enjoyed.

Mr. Leavenworth paid a visit to the Literary Society Monday afternoon and recited "The Famine," by request.

Scene: Room 13. Teacher: "What can you say of the Indian?" She: "He was wild, but now he is kept in reservations."

Prof. Lenkerd received quite a quantity of bric-a-brac from Paris. It was mislaid so that he could not bring it with him when he came and it was forwarded to him.

Our society is growing success and interest. Last Friday we had a most excellent debate in connexion with a mixed program. This week it will be "The Best Essays" written by the school so far.
